General Comments
<p>On the day of my visit I was properly screened upon entry and all Covid protocols are being followed. The children were playing on the front deck which is gated and well set up for their use.</p> <p>Sarah is enjoying all the professional development offered by the department and will be done her 30 hrs by the end of June 2021. The outside play area is set up to invite the birds and other wild life and the children really enjoy observing the birds and squirrels eating and playing.</p> <p>Sarah has a great selection of books and the children have really increased their language since my last visit.</p>
