39(2) A licensed facility shall have a separate locked storage space that is inaccessible to the children for each of the following: (a) toxic products, chemical products and cleaning supplies;	39(2)(a)	Aug 15, 2024	Aug 22, 2024
Comments: Deficiency is now compliant			

General Comments
Licensing staff arrived at the early learning and childcare home on August 22nd, 2024, to conduct the follow up license renewal inspection.
The children were engaging in indoor play activities when licensing staff arrived.
The operator showed me that the toxic products are now being stored in a cabinet that is locked with a lock and key.
Licensing staff recommends the ELC home for renewal.
