<p>General Comments</p> <p>On the day of the licensing monitoring visit on August 22, 2022, there were no children present as the last week of the summer program was last week.</p> <p>Licensing staff inspected the outdoor play area and noted that a new structure was added to the outdoor environment. The new structure had protective surfacing (pea gravel) surrounding the structure according to the manufacturers manual. The Director relayed to licensing staff that the children are enjoying playing on the new structure.</p> <p>The indoor environment is very clean and had an abundance amount of play materials for the children to engage with. On the day of the licensing monitoring visit, the educators were cleaning and preparing the play environments for the new group of children that begin in September.</p>
