<p><b>General Comments</b></p> <p>Licensing staff visited the facility to inquire about the renewal application. The operator informed licensing staff that the application was mailed several weeks ago. As the application did not successfully arrive at the licensing office, the operator provided another copy to licensing staff and will follow-up with an email with additional information. A reminder was given to send dates for any educators that did not have their date of first aid on the renewal.</p> <p>Children were just waking up from their naps, washing up, and sitting down for snack.</p>
