Name of Early Learning and Childcare Licensing Staff Mary Ramsay-Irving		Position Title Quality Assurance Monitor	
Order for Compliance	Regulation	Date to be corrected	Date corrected

General Comments
I was screened upon entry and the center is following COVID guidelines very well. The center is clean and bright. There are sufficient materials for the children. The program is outdoor-focused and the children appear to enjoy the outdoor programming. There is children's work displayed outside in various creative forms. The educators and children are starting to get ready for their garden, and they have planted seeds indoors. Child files are complete and all necessary documentation is included.
