Order for Compliance	Regulation	Date to be corrected	Date corrected
24(1) For the purposes of subsection 20(1) of the Act, the following records and documents shall be maintained on the premises of a licensed facility: (b) child records that include: (iv) the name, address and telephone number of at least two individuals authorized by the child's parent or guardian to pick up the child and to be contacted in case of an emergency if the parent or guardian cannot be reached,	24(1)(b)(iv)	Jul 25, 2023	
Comments: Quality Assurance monitor observed 3 out of 12 child record files with missing information regarding emergency contacts. All child records must include two emergency contacts that must be able to respond within one hour if parents cannot be reached and the telephone numbers must be different for each contact. Operator must ensure that all child records contain the name, address and telephone number of 2 different emergency contact, located at less than 1 hour away from the facility.			

<p>General Comments</p> <p>Monitoring inspection conducted. The ratio was respected. During the visit, Quality Assurance Monitor verified:</p> <ul style="list-style-type: none"> -The outdoor play area -The outdoor play area material and equipment - The child record files -The signed consents in children's files <p>QA monitor had a discussion with the operator regarding protective surfacing in the outdoor play area. Quality Assurance monitor recommend that the pea gravel be turned over or raked weekly to ensure proper depths are maintained.</p> <p>During the visit, children left on an outing to the park. QA monitor reminds staff that children should not be outside when the temperature is 33 °C with humidity or above. Staff member will continuously check the weather during the outing to the park.</p>
