Name of Early Learning and Childcare Licensing Staff Jodi Hennessey		Position Title Quality Assurance Monitor	
Order for Compliance	Regulation	Date to be corrected	Date corrected

General Comments
<p>A monitoring inspection was conducted today. Children were observed in both inside and outside play.</p> <p>A variety of materials have been added to the inside play area to enhance the children's learning experiences.</p> <p>The children have been learning about raccoons. This interested began when a raccoon was found one morning in the compost bin. The children have been learning about the raccoons habitat and what they are like. A web has been created with the children's questions added to it as to what they wanted to learn about raccoons. The children's learning has been documented in pictures and learning stories. The children have also participated in nature walks to explore the Raccoons natural habitat.</p> <p>This is a great example of the NBCF-E....Diversity and Social Responsibility ( Sustainable Futures--Develop a Sense of Wonder). In this Goal of the Curriculum Framework, children bring all their senses to exploring nature--plants, animals, people, landscapes.</p>
