### General Comments

During this morning's Monitoring Inspection, the above non-compliances were observed. These were discussed with the operator.

General Comments

Children were observed during inside play.

Infant Room

Children were observed looking at books, playing with blocks, and completing puzzles. Documentation of children's artwork and activities were posted throughout the classroom.

Two's Room

Children were sitting at their table, awaiting their lunch. While waiting, children listened and participated in action songs - Head and Shoulders and 5 Little Monkeys. Documentation of children's artwork and activities were posted throughout the classroom. Classroom included materials found in nature - sticks and rocks. A family tree and pictures of the children's animals were also documented and children were very excited to talk about their family pet.

Three / Four Room - Children were very interested in the human body. Children were observed answering questions, relating to body parts and functions, and they were excitedly trying to find their own pulse.
