Order for Compliance	Regulation	Date to be corrected	Date corrected
Comments: Buttercup Babies: *Toys kept on top of shelves and the children are not able to access them. The Educator shared with the Inspector that they bring the toys down and play with the children. Toys and materials need to be easily accessible on low, open shelves.			
39(2) A licensed facility shall have a separate locked storage space that is inaccessible to the children for each of the following: (a) toxic products, chemical products and cleaning supplies;	39(2)(a)	Aug 12, 2025	
Comments: Tulips: *Dry Dex, Magic Eraser, and Goo Gone found unlocked on the top of the shelf. Toxic products are to be locked and inaccessible to children at all times.  Wildflowers: Shaving cream found unlocked on the top of the art shelf. Toxic products are to be locked and inaccessible to children at all times.			
50(1) An operator of a licensed facility shall maintain a chronologically filed daily incident log relating to the health, security and well-being of the children receiving services at the licensed facility.	50(1)	Sep 02, 2025	
Comments: A daily incident log is required for incidents that do not need emergency medical attention but may require minor first aid (for example, bumps, scrapes, minor cuts and bites). Incident logs are to be filed chronologically by date in a folder or binder so that ELC licensing staff can easily access the information. The Administrator is to create a binder to properly file incidents as they occur.			

General Comments
<p>Renewal Inspection:</p> <p>The children in all classrooms were observed engaging in play. The children were observed using chalk, coloring, playing with slime, making bracelets, and playing inside forts. Transitions in all rooms ran smoothly. All classrooms were observed going outside. The educators were observed having positive interactions with the children.</p> <p>Documentation was current and reflective of the New Brunswick Curriculum Framework. The documentation shows highlights of the children's play experiences.</p> <p>There was a variety of materials for the kids to play with outside, such as balls, sand, and sand toys, mud kitchens, and utensils, chalk, bubbles, and cars.</p> <p>Hand washing, diaper changing, and naptime routines were observed.</p> <p>The following records were reviewed: Incident logs, fire drills, educator professional learning hours, infant toddler daily sheets, nap sheets, and daily attendance sheets.</p> <p>All staff files were viewed, and a random review of the children's files was completed.</p> <p>The Inspector discussed the following with the Operator:</p> <ul style="list-style-type: none"> <li>* Creating a separate area in the classroom for the children who are no longer napping.</li> <li>* Staff are to ensure that all ten professional learning hours are obtained before the end of September.</li> <li>* The Administrator is to come out of Ratio when covering the Operator to ensure staff and children are properly supported.</li> </ul>
