<b>General Comments</b>
<p>On the day of my visit the educators were busying preparing for the children to arrive. They were in the process of putting a large painting on the wall that the children had done together a couple days before.</p> <p>Once the children arrived they had some free play time while waiting for the next bus to arrive. After the second bus arrived the children prepared for snack and then made a face mask craft. Once that was completed the class were able to go outside for some free playtime.</p> <p>The center was clean and bright and the educators were engaged with the children.</p> <p>I reviewed the children's files and found that some were missing information and need to be updated.</p>
