<p>General Comments</p> <ul style="list-style-type: none"> - Visit done at the establishment in the morning for a monitoring inspection. - Ratio was respected during the visit. - I observed that the educators used positive child guidance technique, they are respectful to each child rhythm and attentive to their needs. - Personal belongings are easily accessible and labelled with the child's name. Each child has its own individual space to put their belongings. - Monthly emergency evacuation and fire drills are completed. - In all rooms evidence of purposeful planning based on children's interest and learning, invitation, photos and learning stories were posted. - Staff records are kept with all pertinent information. - Records are maintained for each child when medication is administered. - The outdoor play area is maintained safe and free of hazards. Outdoor play area materials and equipment is varied and has sufficient quantity of material and equipment for all children present. - Observations: 2-5-year-olds: Handwashing, lunch and naptime. After schooler's: Were participating in different activities in the gym. Some children were playing a game of Go Fish other children were playing ball with the educator. The children had lunch and participated in quiet activities. Parents arrival and departure was witnessed during the visit. - Discussion with the educator concerning the fence located in the playground at the back of the school.
