General Comments

Monitoring inspection completed today.
Children were observed in the indoor and outdoor environments.

Indoors, children were observed engaged in free play with their educators and peers before preparing for

General Comments

outdoor play.

Environments were set up with materials and documentation posted demonstrates current interests and learning.

Outdoors, educators engaged in play alongside the children, supporting and encouraging their efforts by engaging with children at their level, being conversational partners, and asking open-ended questions.

Ensure driveway salt in bucket at entry way remains covered to ensure the safety of the children as they enter and exit the building.

2 year old room downstairs- teachers desk area and area inside doorway cluttered. This area should be tidy to create a welcoming area for children and parents.
