| Comments: Deficiency is now compliant | | | |

General Comments

A monitoring inspection occurred this morning, October 9, 2024, with the Inspector/Investigator and the Quality Assurance Monitor.

The purpose of the inspection was to confirm ratio and close off the Monitoring Inspection that the Inspector had conducted on September 25, 2024. Orders for compliance from that Monitoring Inspection are all completed except the Educator still requires First Aid/CPR training. This non-compliance is moved to the Monitoring Inspection report that the Quality Assurance Monitor will complete for the October 9, 2024, visit and will be sent to the Operator with additional orders for compliance.
