<p>General Comments</p> <p>A renewal inspection occurred today, July 30, 2024. Upon arrival the children in all groups except the infants were engaged in play in the fenced in outside play areas. In the new outdoor fenced in school-age area the children have lots of opportunities to engage in play. Ball hockey, plasma cars, scooters, connect four, basketball, shaded sand area with toys, and many more. In the preschool outdoor area, the children were observed playing in the sand area, cozy wooden house, riding cozy coupes. The infant's outdoor deck has climbing structure, water table, and lots of toys for the children to interact and engage with.</p>

General Comments

Children's learning is documented and displayed in each of the learning environments. Educators were observed having positive interactions with the children, speaking to them kindly and appropriately, tending to their needs. Positive child guidance techniques were observed occurring throughout the inspection.
