General Comments

A renewal inspection occurred today.
The children were observed in both inside and outside play. Observations also occurred during lunch and quiet/nap time.
A healthy lunch of vegetable beef barley soup, bread and milk was served for lunch, and it was evident that the children enjoy this meal.
Handwashing routines were observed occurring several times during the inspection.
Children's current learning is documented and displayed throughout both the preschool and school-age learning

General Comments

environments.

Educators were observed having positive interactions and conversations with the children in their care and responding to their needs appropriately.
