32(1) An operator of a licensed facility shall provide indoor play area materials and equipment that are (d) clean and in good repair. Comments: Deficiency is now compliant	32(1)(d)	Mar 30, 2023	Apr 03, 2023

General Comments
A follow up inspection occurred today. All orders for compliance are completed and the facility is recommended for license renewal. Discussed that the preschool room is not operational during this time. Administrator will notify Quality Assurance Monitor when this room re-opens. The tin ceiling in the learning environment has been recently painted and adds a definite brightness to the room.
