General Comments

Monitoring Inspection - Full Day Summer Program:

Children and educators observed engaged in a variety of activities including playdoh, Lego, building, puzzles, and open-ended art. Educators observed engaging in meaningful conversations at the children's level. The environment is set up with variety of materials for the children to choose from.

Documentation is posted throughout the environment that supports the children's current interests and experiences. Ensure dates are included on documentation.

Hand washing routines observed.

New staff file review - all documents are in place.
