General Comments
A renewal inspection occurred today, February 5, 2025. Children were observed during inside play, lunch, nap/quiet time, and afternoon snack. Children did not go outside during the inspection due to temperatures being below -20 degrees Celsius. Discussed room arrangement and materials with the Educators as well as discussed ensuring that the Diaper Changing procedure was being followed. All staff files were reviewed and verified. A review of children's files occurred and verified complete.

General Comments

Handwashing and Diaper changing routines were also observed
Children's learning is documented and displayed in each of the learning environments.
Positive interactions between the Educators and children were also observed.
