<p><b>General Comments</b></p> <p>Children were engaged in self-directed play throughout monitoring inspection. Evidence of planned and purposeful programming were observed as the room had a cardboard fireplace, tree, Christmas decorations and several art project in various states of completion throughout the room. Program planning was written and documented.</p> <p>Classroom rabbit area was being cleaned by an educator during the inspection. More consistent cleaning of this area is required.</p> <p>Some children were completing clay wreath by painting them as the monitoring inspection was taking place. Other children were engaged with lego, the frozen playhouse and other activity centres.</p> <p>Positive behaviour guidance was observed and educators got down on the children's level when speaking to them.</p>
