General Comments
A Monitoring Inspection was conducted this morning. Children were observed inside. Infants - Educators were observed preparing for snack. Before snack, educators were observed changing diapers and washing hands. The infants were observed eating their snacks. Educators stated that the infants are presently interested in animals, babies, and outside play. Two's Room - Upon arrival, the children in the two's room were observed during free play. Children were observed washing their hands. Children were observed eating snack. Three's Room - The three's room was not occupied today. Four's Room - Children were observed eating snack. Educator was observed sitting at the table, with the children. Children stated that they are presently interested in activities that involve light, outside play - running, walks, and water play, and anything messy! School Aged Room - A mixture of Pre. K and School Aged children were observed in the large School Aged room. Children were observed taking part in free play. A group of children were observed making fire trucks out of classroom supplies and materials. A group of children were also observed playing with geoboards. Children stated that they are presently interested in arts & crafts, tape activities, playing outside, and basketball. A conversation was had with acting administrator regarding soother clips. Soother clips are indeed permitted in an ELC. Parent board was observed. Quality Assurance Monitor's updated contact information to be added.
