

## Early Learning and Childcare Facility Inspection Report

Type of Inspection:  
Renewal Inspection

Pursuant to section 21 of the *Early Childhood Services Act*, operators of licensed early learning and childcare facilities must post their most recent inspection report in a clearly visible and prominent place in the facility.

**General Comments**

The facility is clean and bright. The natural plants give the centre a home like feeling.

Children's artwork is posted on walls throughout the facility.  
 There is evidence of planned programming and documentation.  
 Staff and children's files were complete with all required documentation.  
 Educators were engaged with the children and friendly during the visit.

Everything was in compliance during my visit and I recommend for licencing.
