General Comments
<p>NB Curriculum Framework is evident throughout the center with learning stores and children's artwork posted on the wall.</p> <p>Planned programming is event through the classrooms as seen through webbing charts on the walls.</p> <p>There are new educators since the last visit. Staff files were reviewed. All contained the proper documents except for one educator that does not have an approved first aid course. The educator needs to enroll in an approved course.</p> <p>It is recommended that educators go through their classrooms and make sure bins are labelled with words and pictures as this promotes independent selection of materials and literacy skills.</p> <p>The educators were welcoming during the visit.</p>
