<p>General Comments</p> <p>A renewal inspection occurred July 15, 2025.</p> <p>Upon arrival, Inspector observed the children preparing for morning snacks. Handwashing was observed occurring prior to the children eating.</p> <p>Inspector also observed the children during free play inside. Children were observed reading books, playing "grocery store/shopping", playing with puppets, Little People and pretending to "cook".</p> <p>A variety of interest centres and materials were observed set up in the indoor environment for the children to interact and engage with.</p> <p>All children's files were reviewed and verified complete. Operator and associated persons files were reviewed and verified complete.</p> <p>Outside play did not occur during the renewal inspection due to the extreme heat warning. Discussed the trampoline that was observed in the outside play area and the Operator indicated that the children who attend the ELC Home do not have access to that as it is for the personal use of her family only.</p> <p>Early Learning and Childcare Home is recommended for license renewal.</p>
