| <b>General Comments</b>  |
| Children were in the outdoor play space when licensing staff arrived. They were engaged in a variety of activities including making mud pies, driving trucks in the rocks, play kitchen, and a bubble machine. The facility is clean and organized. There are learning stories posted in all the rooms. The children seem comfortable in the environment and are familiar with the daily routine. The operator advised she has plans for the outdoor play space. Wooden mud kitchens have been ordered, a slide with be added to the tire/dirt climbing area. The gazebo will also be painted. |
