

Early Learning and Childcare Facility Inspection Report

Type of Inspection: Monitoring Inspection

Pursuant to section 21 of the Early Childhood Services Act, operators of licensed early learning and childcare facilities must post their most recent inspection report in a clearly visible and prominent place in the facility.

Name of operator Licence Number Inspection Date Woodstock Christian Academy (WCA) Inc. 2021090 June 06, 2025 Facility Name Telephone Number Woodstock Christian Academy Inc - Preschool Discovery Center (506) 328-8619 Address 137 Houlton Street Woodstock NB E7M 1Y4 Name of Early Learning and Childcare Licensing Staff Position Title Quality Assurance Monitor Quality Assurance Monitor Order for Compliance Regulation Date to be corrected General Comments The children were in the outdoor play space when I arrived. The three outdoor play spaces are very large, giving the children plenty of space to run around and explore. The large trees give an abundant of natural shade in the outdoor play areas. There was a sensory bin set up in the infant play space. The bin had water, leaves, plastic insects, scoops, strainers and tweezers. The infants were also observed digging in the sandbox as well. The 2/3 age group played on the slide and were busy looking for bugs. The preschool group were observed running through the water sprinkler and playing on the swings. Proper hand washing procedures were followed when the children came in for lunch. Duit with the magnetic blocks and played with mini cars on the rug before going outside. There is evidence of preplanned programming based on the learning stories. posted in the classrooms. Staff and children's files were reviewed. All c
