Order for Compliance	Regulation	Date to be corrected	Date corrected
33(1) An operator of a licensed facility shall provide outdoor play area materials and equipment that are varied and in sufficient quantity for the number and ages of the children receiving services at the licensed facility.	33(1)	Sep 29, 2023	
Comments: During the monitoring inspection, the Quality Assurance Monitor observed 3 balls, 4 nets and two water tables in the outdoor play area. The material accessible to the children during the inspection is not sufficient and varied. The administrator shared that the material had been put away for the hurricane and that they believed they had put the material back. The administrator shares that they will ensure that more material is added.			

<p><b>General Comments</b></p> <p>The Quality Assurance Monitor is on-site for a monitoring inspection. During the inspection, the Quality Assurance Monitor observed the outdoor play area and indoor play area.</p> <p>The Quality Assurance Monitor verified some new staff records. All observed staff working in this licence had the required verifications and documents accessible in their staff records.</p> <p>The ratio was respected during the inspection.</p>
