General Comments
<p>A Monitoring Inspection was completed this morning. Classrooms were organized, toys were clean, and carpets freshly vacuumed. Clearly defined learning centers were observed in all classrooms -arts and crafts, building, dramatic play, cozy reading areas, etc.) Positive child guidance techniques were observed in all classrooms, and during outside play. Educators were observed giving gentle reminders, redirecting negative behaviors, preparing children for transitions, and anticipating children's needs. Several forms of documentation were observed throughout the facility. A discussion regarding Attendance Records was had with operator. Two attendance record sheets were incomplete this morning (not all children were signed in). Attendance Records are to be completed each time a child arrives and leaves, and they are to be accurate and reflect all children present at any given time.</p>
