Comments:			

<p>General Comments</p> <p>On the morning of my visit the children were happily playing in the outdoor play space. There is adequate shade in the play areas. I recommend more sand or another play surface be added to the infant area.</p> <p>One educator's first aid has expired and is scheduled for training August 10-11, 2022.</p> <p>Children's files were reviewed. Some files were missing emergency contact information. Operator will review files and update information.</p> <p>During my inspection I heard plenty of positive guidance from the educators to the children.</p>
