### General Comments

The children were engaged in some free play activities when I arrived.  
The infant's educator was observed sitting on the floor with the children looking at books and playing with a pirate ship toy.  
The two-year-old group had free play activities while the educator prepared for a craft activity or painting coffee filters to make a caterpillar.  
The preschool group painted with bubble wrap. They each picked a toy car to drive over the bubble wrap to paint. After they finished painting the got ready to go outside to play in the water sprinkler. Before going outside sunscreen was applied to the children.  
Although there are windsails set up in the outdoor play space, it is recommended another one be installed to make sure there is sufficient shade for the children.  
The facility has had a few visitors this summer. Some Forestry workers came in for a visit in June and the RCMP will be coming on Friday July 18 for a visit.  
The facility is clean and organized.
