General Comments
<p>When I arrived the children were engaged in a wide range of activities such as board games, coloring, reading, building with lego. They were also in the process of making buttons, bookmarks and candles for their fundraising sale on May 6.</p> <p>Children followed the proper guidelines for snack time then proceeded to get ready to go to the park. The educators took the attendance tracking sheets and first aid kit for the trip.</p> <p>Administration files were all in proper order.</p> <p>Although the facility does not use potential illness, incident forms or administer medication they are familiar with the guidelines they need to follow.</p> <p>Educators were friendly and positive child guidance was observed during the visit.</p>
