General Comments
<p>Children arrived from school shortly after I arrived. Most children after washing hands sat and ate snack, then proceeded to choose free play stations. Many children are very interested in Lego so have been busy building; another group played snakes and ladders. Other children enjoyed making pictures by drawing with markers. Educators were observed cleaning and sanitizing the tables after snack. Afterward the educator has set up a group activity for all children to participate. They are making cool microphones to align with Harvest Festival week and then they can use them while they sing and dance to the music. Administrative records were reviewed, and attendance is tracked, and fire drills are being performed monthly. Staff information was updated. One staff is registered for First Aid on September 19th, as it has expired.</p>
