<p><b>General Comments</b></p> <p>Upon Licensing staff arrival, Educators were just leaving to meet the children at school for pick up. Upon return, the children changed their outdoor shoes, put their bookbags in their cubbies and washed their hands before eating lunch.</p> <p>During lunch, the children sat together at tables in the centre of the room. Educators were observed sitting with the children and engaging in conversation. Gentle reminders were heard to please remain seated when eating and to tidy up their lunch bags before free play. Where the weather was so hot, there was no outdoor play today. Material was brought out from the storage room set up in small stations. Children were observed enjoying full gym time climbing, colouring, building with Lego, reading, and playing chess.</p> <p>During inspection, child and staff files were verified and all required documentation was present. Emergency evacuation plans were posted as well as allergies and the daily routine. Monthly fire drills are being recorded and Educators are checking for obvious hazards each time they are using the local school playground.</p> <p>Licensing staff recommends for renewal.</p>
