There are also broken coat hooks for the preschool children that need to be replaced.	40(1)(c)	Nov 28, 2024	

General Comments

Children were in the outdoor play area when I arrived. The infants had been out earlier in the morning. There is evidence of planned programming as seen by the learning stories. webbing and journaling the educators are doing.

General Comments

The are sensory bins set up in the preschool rooms. One has soil, plastic flowers, small pots and garden tools. The other had sand, rocks, digging materials, dinosaurs and a dinosaur book. Proper hand washing procedures were observed before lunch.
