General Comments
<p>A renewal inspection occurred today.</p> <p>The children were observed coming back from a walk where they were exploring the neighborhood, circle time, lunch, and quiet time.</p> <p>Discussed with Administrator items to be added to the new outside play area such as a music wall, cozy coups, shapes attached to the fence and painted with chalk paint. Also discussed ensuring that the paved part of the play area is swept to ensure the safety of the children and also easier for when the children ride their cars or play with chalk.</p> <p>The children's art and learning is displayed in both the School-Age and Pre-K Room's.</p> <p>Educators were observed speaking kindly to the children. They were also observed participating in the children's play and asking open ended questions to enhance the children's learning.</p>
