25 An operator of a licensed facility shall post in a clearly visible and prominent place on the premises: (b) the weekly menus.	25(b)	Apr 02, 2024	
Comments: Today's snack differed from the snack that was written on the snack menu. A substitute was added in its place. After conversing with educators, it was determined that each room was served a different snack this morning, as the original planned snack, was not available. Further discussions confirmed that snacks offered, often differ from the snacks provided on the snack menu. The planned menu is to be posted, UpToDate, and any substitutions are noted as they occur. Planned menus allow parents to know what the child has been offered to eat during the day.
