Comments: A new heater has been installed to replace the one that was broken. Deficiency is now compliant.			

General Comments
<p>A monitoring inspection occurred today.  The children were observed during outside play, lunch, nap/quiet time.  Discussed the use of Digital Technology with the Educators as there are TV screens in three of the rooms, and to ensure it is purposeful when using it.  One new staff file was reviewed and verified complete.  Mandatory attendance records for all rooms were reviewed and verified complete.  Recommending that the top ledges above the cubbies in each of the rooms be organized.  Educators were observed speaking kindly and appropriately to the children using positive child guidance techniques.</p>
