<p>General Comments</p> <p>Purpose of visit was for annual renewal inspection of facility. All staff and children's files contained all required documentation. Incident reports were filed and filled out appropriately. Medication records were reviewed and well maintained.</p> <p>A lock has been added to the door of the storage closet which contains the cleaners.</p> <p>While children were engaged in outdoor play appropriate supervision was maintained and children were given an opportunity to choose what they would like to do while in the outdoor area. Educators were observed counting the children out loud before walking back to the facility.</p> <p>Within the facility learning stories from last week were posted showing that the children had gone sliding, educators had linked this activity to the curriculum. Educators are encouraged to continue adding documentation of learning.</p> <p>Children were engaged in a variety of activities while in the indoor play area. Mini sticks, forts, paper airplanes, art activities and magnets were all activities that licensing staff was able to observe. The facility had a sufficient amount of developmentally appropriate materials for school age children. Children were given the ability to choose their own activity and all children present were engaged throughout the inspection.</p> <p>All children were spoken to with kindness and respect by the educators and positive behaviour guidance was observed at all times. Facility can be recommended for licensing.</p>
