Address 1717 Hanwell Road Hanwell NB E3C 2B9			
Name of Early Learning and Childcare Licensing Staff Jennifer Godin		Position Title Quality Assurance Monitor	
Order for Compliance	Regulation	Date to be corrected	Date corrected

### General Comments

Children were outside when I arrived for today's monitoring inspection. Children were observed playing with a variety of different material during today's visit, some children were playing hockey, tag with an educator, hanging out on a wooden bench, climbing on the climbing dome, and partaking in imaginary play (a store selling soup). School aged children had access to the preschool fenced in area which has a play structure since the preschool aged children were inside.

This week, children have been interested in space, so today they were able to create their own robot to display on the cork board for everyone to see. Educators were observed encouraging children to speak like a robot during snack. Children were giggling and happily participating while speaking like a robot.

All administrative documents that were observed today were found to be in accordance with the ACT and Licensing Regulation.

Educator and child files that were observed today were in compliance with licensing regulations.

The facility's indoor environment offers a very bright and caring atmosphere for children to learn and thrive in. The inside environment has an abundance of learning materials that meet the interests of the children. The indoor environment is also set up in a way that promotes independence by having all play material on low shelves so that the children can pick and choose what they wish to play with.

The yellow carpet appears to be dirty/stained. Please ensure to have it cleaned. Administrator removed carpet at time of visit.

A reminder to ensure that the cabinets under the sink in the main room should be regularly cleaned, as there appears to be water stains on the bottom of the cabinets.
