General Comments
<p>Children were engaged in a variety of free play activities when I arrived. Activities included eating snacks, drawing, coloring, playing in the dramatic play area, playing cards, and building with lego and blocks. The facility is clean and organized. There are a plenty of materials for the children to learn and explore with. Children were giving proper notices for transitions, as observed when it was time for to get ready for outdoor play time.</p> <p>While outside the children were observed running around, playing hockey, baseball, climbing on the dome and playing in the mud.</p> <p>Staff files were reviewed. All the files contained the proper documents.</p> <p>Children seemed to be comfortable in the environment and familiar with the daily routine.</p>
