<b>General Comments</b>
<p>On the day of my visit there were 8 children present. It was an exciting day in the facility's new bus arrived to pick the children up from school.</p> <p>Children's files were reviewed. All required documents were in proper order.</p> <p>Inspected the field where the school age children play. Noticed there were a few holes in the field. Operator immediately put pylons next to the holes from tripping on them and hurting themselves. Operator will make arrangements to have the holes filled.</p>
