General Comments
<p>This was the first monitoring visit since the facility opened. Children and staff files were reviewed. All files were in proper order with the required documents.</p> <p>The center is clean and there were invitations set up for the children. One was with magnets and the other was a Halloween invitation with rice, leaves, toy pumpkins, tweezers, small rakes, tree cookies, pompons and acorns.</p> <p>Operator has started with monthly checks such as fire drill and first aid check lists. Playground monthly check list does not have to be completed as the facility is using the school's playground.</p>
