| General Comments   |
| <p>The room was nicely set up on the day of my visit. The children had the option to paint different clay items. There were trucks, rockets, flowers, rainbows, unicorns, smiley faces, roller skates, ice cream cones and dinosaurs.</p> <p>On another table there were 3 sensory bins set up. One had oatmeal with various toy animals, the second was water beads and the third was coloured rice with pinecones.</p> <p>During my visit the children were able to participate in other activities such as spirograph, drawing on the white board, and lego.</p> <p>Educators were pleasant and engaged with the children during all the activities the children participated in.</p> |
