General Comments

Children were having show and tell when I arrived. Show and tell is held on Fridays due to the half day. A few children are picked each week to bring a personal item in to show to their friends. After show and tell the children went to various stations throughout the room to play and explore. The popular play areas were lego, arts and craft, playhouse, restaurant, magnets and cars. There are plenty of age-appropriate materials for the children to learn and explore with. Educators were actively involved with the children, playing and building things with them.
