<p><b>General Comments</b></p> <p>All children in attendace were napping on this date as they had a busy morning outside. Children were waking from nap upon arrival of licensing staff. Regular monitoring inspection was performed on this date.</p> <p>Home has acquired two rabbits since last visit. Public Health standards in regard to pets in licensed facilities was reviewed with the operator and all recommended precautions were in place.</p> <p>The indoor play space was observed to be well organized, clean and had a sufficient amount and variety of materials for the children present. Lots of materials were visible to support learning about bugs, worms, spring and plants. The children shared with licensing staff that they found worms outside today.</p> <p>Hours of operation has recently changed for the home and the parent handbook should be updated to reflect this change.</p> <p>The educators asked children questions and modeled with playdough to expand on their play. Positive behaviour was observed at all times.</p>
