<p>General Comments</p> <ul style="list-style-type: none"> - Visit completed at the facility in the afternoon for a monitoring inspection. - The ratio was respected during the visit. - During the visit, the educators used positive child guidance technique, they are respectful to each child rhythm and attentive to their needs. - Outdoor play occurs daily, snacks are provided at recognized snack times. - The parent has access to the facility at any time when the child is present. - The personal files contain all required documentation. During the visit, 6 files were verified. - First aid kit and telephone are accessible on the premises and on each outing. - Observations: The children arrived from school, washed their hands and participated in free play. Children were playing with moon sand, constructing with blocks, playing with cars and singing. The educators organized an activity for earth day. After the activity the children went on an excursion. - Discussion with the director concerning staff files.
