Order for Compliance	Regulation	Date to be corrected	Date corrected
36(4) The rest area of a full-time early learning and childcare centre and an early learning and childcare home shall allow for a space of at least 46 cm between each crib, portable playpen, cot or nap mat.	36(4)	Nov 28, 2025	Nov 28, 2025
Comments: Rest equipment had more than 46 cm between each, but were moved during nap time and did not have 46 cm between at that time. A plan is in place to make sure there is always 46cm between each rest equipment. Deficiency is now compliant			

General Comments
<p>-Child to staff ratio is respected during renewal inspection.</p> <p>- It is the operator's responsibility to ensure that the outdoor play used by children but not owned by the operator is safe and free of hazards.</p> <p>Observations:</p> <ul style="list-style-type: none"> <li>- Preschool age children had their meal and were getting ready for nap time.</li> <li>- Some of the school-aged children arrived and had their meal and went outside for a walk.</li> <li>- Preschool aged children woke up and eat their snacks. They then did a free choice of play. Some were playing with Play-Doh, others were coloring and others playing with beads with supervision.</li> <li>- School age children came back in and also ate their snack and did free play. Some played with Legos, others coloured, and others played with beads.</li> </ul> <p>The facility meets requirements for Licensing Regulation - Early Childhood Services Act. Recommending licensing for another year.</p>
