<p>General Comments</p> <p>The space is clean and organized. Many changes since my last inspection. The room has been reorganized, and new materials added.</p> <p>There are different materials to meet the children's interests and in sufficient quantity such has dramatic play materials, train sets, blocks, board games, books, art supplies and even an air hockey table.</p> <p>When the children arrived, they were greeted, asked about their day at school and then one staff went to sit on the floor and played with them. Afterwards, one educator and a child played a card game together at the table.</p> <p>The educators turned the bookshelf into a fireplace for Santa. They also have a Christmas tree, and the children did a Christmas decoration with milk containers. They also wrapped Christmas books and every day they unwrap a book and read it together.</p> <p>The educators were very much engaged with the children, playing, laughing, and talking with them. They were respectful towards the children, speaking to them in a kind and respectful manner and providing encouraging words.</p> <p>The later bus arrived around 3:15 and the children had snack.</p> <p>A reminder to put a checklist in the first aid kit and the kit must be inspected regularly.</p> <p>Everything is in compliance; I recommend for renewal.</p>
