General Comments

Children were working on a Mother's Day craft when I arrived. Once the crafts were completed the children got ready for outdoor play time.
During outdoor time the children participated in a wide range of activities such as frisbee, soccer, skipping rope and making pies in the mud kitchen.
There are a variety of materials to suit the needs of the children.
The educator was engaged with the children, assisting them when needed, and talking and laughing with them.
Please make sure fire drills are completed on a monthly basis as there was not one done in April.
The parent board should have the Quality Assurance Monitor, Inspector's and the administrator's contact information posted.
