<p><b>General Comments</b></p> <p>Monitoring inspection completed today. When QA Monitor arrived children were engaged in group games in the outdoor play area before transitioning to indoors. Indoors, children engaged in cooperative play throughout the interest centres,</p> <p>The indoor play environment is purposefully planned with a variety of materials accessible for the children. Materials are neatly displayed for the children to choose from and supports them in cleaning up when they are finished.</p> <p>Hand washing observed when children returned from outdoor play.</p>
