<p>General Comments</p> <p>A renewal inspection occurred today.</p> <p>The educators were observed engaged with the children playing hide and seek when licensing arrived. The environments were rich with opportunities for sensory learning, social interaction, language, exploration, manipulation and representation. They are purposely designed and planned to enhance children's healthy development and learning.</p> <p>Learning areas are co constructed with children and flexible to allow for movement of children and materials in and out of learning spaces.</p> <p>Educators listened carefully to each child and gave them time to think and express their feelings. They asked questions to prompt children to talk about and find solutions to disagreements and conflict.</p> <p>Documentation of the children current work and work in progress were displayed throughout the environment. All checks were observed and complete. All staff and children's files were also observed and complete.</p>
